March 2024 - A Spring in Our Step

We are thrilled to share some amazing news with you today! Despite the chilly weather reminding us of winter's grip, there is a warmth within us that comes from knowing that we are making a positive impact in our community.

We are proud to announce the launch of our SIS Mentoring Project, which provides vital mental health support to girls and young women. By empowering and equipping young women with the necessary tools to lead healthy and fulfilling lives, we are making a difference that will last a lifetime.

Moreover, we have installed a TOLO rack as part of the "leave one, take one" initiative, which provides warmth to those in need throughout these harsh winter days. We believe that every small act of kindness makes a significant difference in the world.

Last but not least, we are thrilled to introduce you to our new catering services. Our dedicated team has been working tirelessly to provide quality services, and we are confident you will be impressed. We cordially invite you to visit our Café and indulge in our new and exciting menu.

We hope you find this newsletter inspiring and informative. Thank you for being a part of our community, and we look forward to seeing you soon!
